

Introduction

The Classic locker features an all steel construction with a fully powder coated scratch resistant finish. There are five standard door options and two standard widths available. They feature ventilation slots and sloping tops are available. Doors are fully lockable with three locking systems available: cam locks, latch locks and flush locks. Three point locking is fitted as standard on the single tier locker.

Features

- Uniform look when banked together
- Perforations provide ventilation
- Shelves, coat hooks, coat rails and reinforced doors available for all sizes
- Optional sloping tops and benches available
- Doors with 180 degree opening angle
- 2000 lock combinations available
- All doors have card holders
- 10 year warranty
